

Shine

1. Why do you fear, when I am your God?

Why do you hide, when you know my love?

Why do you offer the world what they want you to be?

Lies of the enemy resound in your mind.

Doubts creep in slowly and then pull you down.

But you know the truth, you were created to shine.

You were created for more, created for so much more.

Chorus:

So live in my freedom.

Live out the desires I have placed in your heart.

Draw closer to me day by day

and know who you are in me.

2. You bear my image, creation's crown.

I have sought you, bought you, pursued your heart.

Only I can know you so intimately.

Do not give way to fear and despair.

Remember that you are a child of the King,

created to speak to the world of my mercy and mystery.

To live out my love, to shine with my grace and peace.

(Chorus)
