

## Everlasting God

(Psalm 46) (Celebrating 500 years of Reformation)

*Chorus 1:*

*A mighty fortress is our everlasting God!*

*Protector of His faithful ones, our Refuge be!*

*And in life's troubles, He's our ever-present help.*

*We shall not fear: The Lord Almighty is with us!*

1. If we rely on human strength we'll surely fail!

How can we ever win against the devil's power?

Our confidence must be found in God's only Son:

Jesus the Christ - He fights for us, He has the victory!

*(Chorus 1)*

2. Let no complacency or compromise reside.

Live in the Savior's love, be strengthened by His pow'r.

As saints before proclaimed God's truth, we now will stand

and voice: "We're saved by grace through faith in Jesus Christ alone!"

*Chorus 2:*

*A mighty fortress is our everlasting God!*

*Defender of His children, Rock of Ages be!*

*Our future is secure, through the Savior's blood.*

*O magnify and worship Jesus: Lord and King.*

*O magnify and worship Jesus: Lord and King.*
