1. My Lord, the God who saves me.

Day and night I cry to You.

May my prayer come before You.

Turn your ear, to my cry.

2. My soul is full of trouble.

My life draws near the grave.

No strength, darkness overwhelms me.

Slipping down, beneath the waves.

*Chorus:*

*Faithful and true, mighty God.*

*I trust in Your power and love.*

*You promise all things work together for my good.*

*Chorus 2:*

*Faithful and true, mighty God.*

*I trust in your power and love.*

*You promise all things work together for my good.*

*Grant me Your mercy and peace.*

*Bridge:*

Rescue me.

Rescue me, rescue me.

You restore, You restore.

You redeem.

3. Though my soul is full of trouble,  
And my life draws near the grave.  
You're my strength, and You won't forsake me.  
Remember me. I know You care.
